

REGISTRATION GUIDELINES FOR SUMMER, FALL, AND SPRING

NEW STUDENTS

New degree-seeking students who have completed their admission application file may register during the Priority Registration period or during the regularly scheduled Registration day for each semester. New degree-seeking students desiring to register should contact the Admissions Office to obtain the name of their advisor and schedule an appointment. Enrollment forms are available online at www.mnu.edu/registrar. Advisors who do not teach during the summer may not be available for advisement.

RETURNING STUDENTS

Returning Students who have not been enrolled at MNU for at least a semester must fill out a Re-Admit Application in the Registrar's Office. Once approval for re-admission is given, returning students may register during the Priority Registration period or during the regularly scheduled Registration day for each semester. Returning students should schedule an appointment with a faculty advisor. Advisors who do not teach during the summer may not be available for advisement.

CURRENTLY ENROLLED STUDENTS

Currently enrolled students should register according to the directions listed for each semester.

NON-DEGREE SEEKING STUDENTS

Students not seeking to earn a degree from MNU, may register for classes on a space-available basis after the regularly scheduled Registration day. See the current catalog for detailed information regarding the SPECIAL STUDENT status.
