## Section C-D Income Information

Typically, **the best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT)** that is part of the FAFSA on the Web. In most cases, no further documentation is needed to verify 2020 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed.

Contact the Office of Student Financial Aid Services for additional required documents if one of these special situations applies:

- Married students or parents who filed separate 2020 income tax returns.
- Individuals who filed jointly, but are no longer married.
- Individuals granted a filing extension by the IRS.
- Individuals who filed an amended IRS income tax return.
- Individuals who are victims of tax administration identity theft.
- Individuals who filed non-IRS income tax returns.

These instructions apply to the student and each parent included in the household.

Tax-filers must successfully complete IRS data retrieval or provide a copy of their **2020 IRS Tax Return Transcript(s)**. Parent(s) and Stepparent who did not file 2020 taxes, must provide **Verification of Non-Filing Letter(s)** which is proof from the IRS that a person did not file a 2020 tax return. In addition, all non-filers must provide copies of their 2020 IRS W-2 Form(s). Popular methods to obtain these documents follow:

Get Transcript by MAIL: Go to <https://www.irs.gov/individuals/get-transcript>, and click "Get Transcript by Mail." Make sure you request the **2020** "Return Transcript" and **NOT** the "Account Transcript".

Request Verification of Non-Filing: Go to <https://www.irs.gov/pub/irs-pdf/f4506t.pdf>, PRINT, complete IRS Form 4506-T, and submit to the IRS.
